# May Character Trait is CREATIVITY

The logo for "Character Strong" is located in the top right corner. It features the words "Character" and "Strong" in a cursive font, with "Character" in blue and "Strong" in red. The text is set against a white background with a light blue border.

Get ready for some fun as we focus on Creativity this month! One way to think about Creativity is “using your imagination to create something new or solve a problem.” Opportunities to be Creative are all around us! How can you find ways to be Creative as a family this month? Creativity is 1 of 3 traits we will focus on throughout the year that helps students Be Well. Throughout the school, students will be developing skills like emotion regulation, positive self-talk, and stress-management.

## El rasgo de carácter del mes de Mayo es la CREATIVIDAD

The logo for "Character Strong" is located in the top right corner of the Spanish section. It features the words "Character" and "Strong" in a cursive font, with "Character" in blue and "Strong" in red. The text is set against a white background with a light blue border.

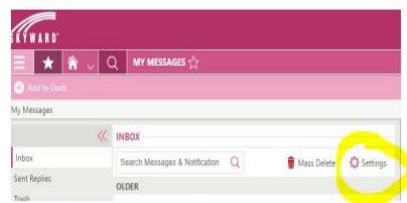

¡Prepárate para divertirte mientras nos enfocamos en la creatividad este mes! Una forma de pensar en la creatividad es "usar tu imaginación para crear algo nuevo o resolver un problema". ¡Las oportunidades para ser creativo están a nuestro alrededor! ¿Cómo pueden encontrar maneras de ser creativos en familia este mes? La creatividad es 1 de los 3 rasgos en los que nos enfocaremos a lo largo del año y que ayudan a los estudiantes a estar bien. A lo largo de la escuela, los estudiantes desarrollarán habilidades como la regulación de las emociones, el diálogo interno positivo y el manejo del estrés.

## How to set your low score notification settings on Skyward:

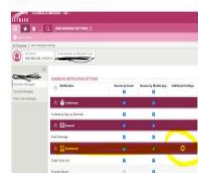

1. When logged in on Skyward, Click "My Messages" in the top right.

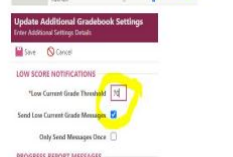

2. Select "Settings" on the right side of the Inbox.

3. Scroll down to "Gradebook" and click the settings wheel on the right.

4. The score is automatically set at 70.

If you would like to adjust the notification you may set any percent from 0-90.

We wanted to let everyone know about the new automated feature the school is using in Skyward. There will be a low score email sent out each Friday afternoon if your Trojan has a low grade (70% or below) in any class. The email only references your child's overall grade. To find out more details, you can login to Skyward to look at individual assignments.

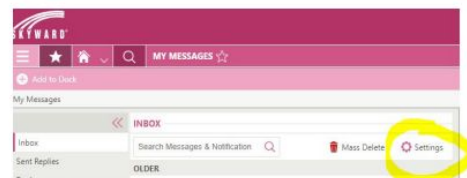

You are able to adjust to a low score notification appropriate for your child by following the attached directions. We hope this helps to support your Trojan's success! Let us know if you have questions!

## Cómo configurar la configuración de notificación de puntuación baja en Skyward

1. Cuando inicie sesión en skyward, haga clic en mis mensajes en la parte superior derecha.

2. Seleccione la configuración en el lado derecho de la bandeja de entrada

3. Desplácese hacia abajo hasta el libro de calificaciones y haga clic en la rueda de configuración a la derecha.

4. La puntuación se establece automáticamente en 70. Si desea ajustar la notificación, debe establecer cualquier porcentaje entre 0 y 90.

Queríamos informarles a todos sobre la nueva función automatizada que la escuela está utilizando en Skyward. Se enviará un correo electrónico con una puntuación baja todos los viernes por la tarde si su troyano tiene una calificación baja (70% o menos) en cualquier clase. El correo electrónico solo hace referencia a la calificación general de su hijo. Para obtener más detalles, puede iniciar sesión en Skyward para ver asignaciones individuales.

Puede adaptarse a una notificación de puntuación baja apropiada para su hijo siguiendo las instrucciones adjuntas. ¡Esperamos que esto ayude a respaldar el éxito de su troyano! ¡Déjanos saber si tienes preguntas!

## 10 Test Taking TIPS

1. Get 9-11 hours of sleep the night before a test.   
(Actually, you should be sleeping that much EVERY night!)
2. Eat a healthy breakfast in the morning and drink plenty of water! (Drinking  H<sub>2</sub>O calms your nerves & helps you to focus.) or THIS  EAT THIS  
NOT THAT   

3.  Arrive to school on time. (So you don't feel rushed or miss anything.)
4. Have a  positive attitude and motto.   
5. Read  all the directions and answer choices carefully before you pick the best answer.  
(Be a test detective  and look for important word clues like, "true, false, always, or never.")
6. ~~Cross out~~ and eliminate the answer choices you know are incorrect  
(...or just plain  silly)
7. Don't get stuck on the more challenging questions. Skip, move on, and return to them at the end.  
(This will help reduce feelings of frustration & help you to pace  yourself.)
8. Do a quick and quiet brain break  if you notice you are starting to lose your focus.  
(Rub your temples, give yourself a hug or arm massage, tap your head, stretch your fingers, take a few mindful breaths, or push your palms together.)
9. Review and check your work after you have answered all of the questions. (Don't leave any question blank.) 
10. AND ALWAYS REMEMBER  THIS:  
A test cannot measure your worthiness, lovability, kindness, empathy, curiosity, passions, creativity, or courage.

# Los 10 mejores consejos para tomar exámenes!

## Exámenes comienzan Mayo 15.

1. Duerme de 9 a 11 horas la noche anterior de un examen.

2. Desayuna bien por la mañana y bebe mucha agua.

3.  Llegar a la escuela a tiempo.

4. Ten una actitud y un lema positivos.

I can do it!

5. Lea atentamente todas las instrucciones y opciones de respuesta antes de elegir la mejor respuesta 

6. Tacha y elimina las opciones de respuesta que sabes que son incorrectas.

7. No te quedes atascado en las preguntas más difíciles. Salta, sigue adelante y vuelve a ellos al final.

8. Haz una revisión cerebral rápida y silenciosa si notas que estás empezando a perder la concentración.

9. Revisa tu trabajo después de haber respondido todas las preguntas.

10. **Y RECUERDA SIEMPRE ESTO. UNA PRUEBA NO PUEDE MEDIR TU VALÍA, AMABILIDAD, EMPATÍA, CURIOSIDAD, PASIÓN, CREATIVIDAD O CORAJE.**
